

THE WORKS

CALON

After a very testing year for everyone we are really pleased to see that our joint venture company with Cartrefi Conwy, Calon Homes come to life in 2020. The hard work over the past 18 months will now see a big step forward in 2021 where Bryn and his newly formed team will aim to deliver the development of 118 houses across 2 sites for private sale. This is a big milestone for Breng

Group and will aim to strengthen our overall position offering further longevity over the next few years.

MAES Y FELIN - GLAN CONWY

Another huge milestone for Calon Homes was the successful granting of the planning application for our Maes Y Felin scheme in Glan Conwy. This development will provide Glan Conwy with a mixture of 107 new homes, comprising of 1 bed apartments, 2,3 and 4 bed houses. The 3 year scheme will hope to generate over £25m of work in the local economy and will help to provide further opportunity for up to 500 people over the duration of the project. This project is close to the hearts of Howard and Mark as they are both local to the village. The Project is looking to start in May 2021 and we wish Bryn an his team all the best in getting the scheme to site.

SILVER BIRCHES - MIDDLEWICH

Our first Calon Homes development to start is Silver Birches in Middlewich. This 11 house site started with the demolition and clearance phase earlier this month. Backed by the Development Banc of Wales this development will offer a mixture of 2,3 and 4 bed houses. The project Manager for this scheme will be Alex Williams who will be supported by Steve Cheqwin. We wish them the best.

DECEMBER

THE WORKS

Great to see the scaffold has been taken down on our Gloddaeth Street development for Cartrefi Conwy. The building looks amazing -

Site Manager - James Jones

Site Manager - Craig Roberts

Following our successful completion of Phase 1, we are excited to announce we are now underway with Phase 2 of the Targeted Regeneration Investment scheme in Colwyn Bay for Conwy Council.

BEACONS OF BRENIG

The Beacons of Brenig are a team that have been formed within Brenig to be the voice of the company and to help facilitate a change in mindset throughout the company to ensure that we become the 'Best Company' that we can be. We have all been working extremely hard to bring the 'Brenig Core Values' to life and launch early 2021.

The Brenig Beacons offer a welcome step-change to the future culture of Brenig Construction. As we navigate these difficult and challenging times, the hope is that the Beacons of Brenig will spark a positive change that will reverberate through the organisation and create an environment that the entire Brenig team will be proud to be associated with. This really is one of the key areas that we can differentiate to other business and build a company that we are all proud of.

"Mark Parry & Howard Vaughan"

WELL DONE

To the team for raising £122.50 for Save The Children for Christmas Jumper Day.
