

# THE WORKS

## OPERATIONAL TEAM UPDATES

*It was fantastic to see all the operational team come together for a team meeting with our health and safety officer, Adam Jones! These meetings help provide an excellent forum for health and safety matters to be discussed.*

## SCHOOL PRESENTATION

*We recently spent a day at Denbigh High School introducing Year Seven students to the opportunities that are in the construction industry.*

*Our three-person team, Caroline Thomas, Steve Walker and Adam Jones spent the day speaking to Year Seven groups, giving them a presentation on all things construction, a quiz on construction roles, and answering any questions they had. It was a huge success and we received great feedback from the students. Well done team!*

## COMMUNITY BENEFITS

*As part of our community benefits scheme for our upcoming site at Maes y Felin In Glan Conwy we have put up and decorated a Christmas tree for everyone in the community and the local area. Doesn't the tree look fantastic, it was great to bring the festive cheer to Glan Conwy!*
