

THE WORKS

SITE UPDATE

With demolition, roads and sewers well underway, Brenig Construction/Bamber Homes embark on key strategic development in Colwyn Bay which include open market, refurbishment and apartment properties. The first homes are expected to be commencing in the new year with completion expected by late spring.

CITB'S SEE YOUR SITE PENMAENHEAD

We're delighted to be taking part in CITBs see your site week, these site visits are being arranged to give college students experience of a live site, this will prove invaluable to the students as they will have an opportunity to discuss and see the works that are involved on a live construction site and hopefully inspire the future generation of tradespeople. Thanks to Barry Evans our Site Manager on our Wales & West Housing site in Old Colwyn.

HAPPY
BIRTHDAY

BEACONS OF BRENIG

We have a great present for you all that you will receive in the new year!

Flip the page over for it to be revealed!

Sydney Road

Happy Birthday

Congratulations you
get the day off. thanks
to the Brenig family
core value!

But don't worry if your birthday
falls on a weekend or bank
holiday because you get the next
following working day off!
